Dear Mr. Bozonian and Mr. McNutt:

Thank you for your response letter regarding the U.S. Environmental Protection Agency Draft FY2016 Program Review Report for Missouri's Underground Storage Tank Program. We appreciate how challenging it is to prepare a thorough response on such an important matter during the holidays. Therefore, we will grant a 15-day extension for you to provide written comments on the draft report before it is finalized. We are also willing to meet with you to go over the report and address any comments and concerns. Ed and I are available to meet with you at our regional office in Lenexa during the following dates and times:

Thursday, January 5, from 3:30 p.m. to 4:30 p.m.

Friday, January 6, from 1:00 p.m. to 2:00 p.m. or 2:00 p.m. to 3:00 p.m.

If necessary we can arrange for video conference resources to be available should you be unable to make it to Lenexa on the above dates. Additionally, Wilfredo Rosado-Chaparro, (913) 551-7944, is available to meet with your staff and further discuss any comments and/or concerns regarding the report.

Thank you for your attention to this matter.

Sincerely,
